PACKAGING MACHINERY

COMPLETE TURN-KEY SOLUTIONS

Packaging Machinery

CLIFTON PACKAGING GROUP PLC is a specialist supplier of Food Processing and Packaging Machinery. We serve our clients from small, low-cost manufacturing to high volume packaging lines. We can supply packaging machines to handle sweets, nuts, chocolates, cereals, pulses, liquids, powders and much more. We provide our clients with a one-stop shop for their packaging requirements along with the best possible service and to assist them in achieving their organisational objectives.

- Specialists in food processing and packaging technology
- Suppliers of turn-key packaging solutions
- Complete project management of new and existing units
- Pre and post-sale service support and training
- Efficiency and quality gained with technological advancement
- Consultation services

Examples of the machinery we can supply:

- Vertical Form, Fill & Seal
- Multihead Weighers
- Auger Fillers
- Accessories including
 - > Bucket Elevators
 - > Inclined Screw Feeders
 - > Rotary Packing Tables
 - > Vibratory Feeders
 - > Checkweighers
 - > Metal Detectors

Not simply supplying machinery, we follow a solution-driven approach which has evolved after years of solid experience in the packaging industry. Taking the burden off the shoulders of the client and devising an efficient solution for them is our forte. This involves the ideal combination of our sales force and engineering teams to come up with an integrated solution for our clients.

APPLICATIONS
